Wednesdays 17:30-21:20 in EDB 7540

PREREQUISITE:

Educ 401/402

This course focuses on the elementary (K-7) school physical education programs. Emphasis is given to the movement education orientation as it relates to the movement components of the BC IRP (Games, Gymnastics, Dance, Individual & Dual Activities, Alternate Environment Activities). Participants will be involved in a balance of practice and theory.

Assignments

1. Participation, readings and in-class work
2. Integrated Unit Plan
3. Small group lesson presentation/Lesson Plan
4. Observation assignments/Philosophy statement

REQUIRED TEXT

Kirchner & Fishbourne Instructional Activities in Elementary Physical Education, 10th edition.
