SCHOOL HEALTH EDUCATION
E200

Professor: Dr. Sandra Vamos
Office: EDB 8558
Work Phone: 778-782-7224

Time: Tuesday 16:30 – 20:20
AQ 5039

Email: svamos@sfu.ca

PREREQUISITE: 60 Credit Hours

COURSE DESCRIPTION:

This course provides a general understanding of health concepts, health behaviours, and health concerns of school-aged children and at-risk youth. It provides the background information, content, and skills that both prospective teachers and interested community members need to help implement comprehensive school health education in the schools. State-of-the-art information is provided on fundamental health content, safe and healthful school environment, coordinated school health programs, and instructional strategies and technologies to promote health within the school and community engaging all levels of stakeholders. Students will have the opportunity to achieve personal health literacy, while being committed to promoting student health literacy.

EVALUATION CRITERIA:

- ✓ Health Literacy Portfolio & Class Participation (20%) – reflective journey of EDUC 371 based on attendance, health education critiques, class participation, activities/discussion, homework tasks
- ✓ Innovative Coordinated School Health Strategy & Presentation (25%)
- ✓ School Health Education Report (25%)
- ✓ Tests (30%) - Test #1: Interdisciplinary & Coordinated Perspectives (15%)
- Test #2: Health Education Themes (15%)
