

SUMMER SEMESTER 2003

EDUC 412-4 (EDUCATION)
DESIGNS FOR LEARNING: SECONDARY LANGUAGE ARTS
C01.00

This is an instructional course organized for self-study through distance education. It is designed for secondary teachers of English who teach language arts. The job of this course is to improve your chances for having an educated imagination and passing this gift onto your students. To help you in that process, you are asked to do a lot of reading, writing and thinking in a very structured and interactive setting using electronic conferencing.

Three basic components include:

- (1) **YOUR WORDS** which focuses on the teacher as writer and teacher of writing. In this section, you will develop your imagination using the writing skills, attitudes and processes of professional writers.
- (2) **CLASSICAL WORDS**, which focuses on the study of Shakespeare. You will learn ways to bring Shakespeare to the classroom in ways that are inventive and student-centered.
- (3) **EVERY MAN'S WORDS** which focuses on the study of the short story. In this section, you will educate your imagination by examining short stories which are of particular appeal to secondary students today.

Prerequisite: EDUC 401/402. Students who have received credit for 472 prior to 01-2, may not take this course for further credit.

Computer Requirements

1. This course requires active participation over the Internet through conferencing software called *FirstClass*. Students must have access to computers and the Internet. Students wishing to connect to the Internet from home computers are responsible for connecting to either SFU or external Internet service providers (ISPs). Information on connecting to SFU through modem dialup lines is available at the Academic Computing Services (ACS) web site, <<http://www.sfu.ca/acs>>. Phone numbers for ACS are 604-291-3234 (Burnaby) and 604-291-5030 (Harbour Centre).

SFU students: Activate your SFU computing account online at <<http://my.sfu.ca>>

2. On-campus computer facilities are available. If you are using your own computer, you need the following *minimum computer requirements*:

Hardware

- Macintosh with *System 7.1* or higher OR PC with *Windows 95* or later (i.e., *98*, *2000*, *NT*, *ME*, *XP*, etc.)
- 6 MB RAM
- 10 MB free disk space
- 28.8-baud modem
- CD-ROM drive

Software & Other

- Internet connection
- E-mail (e.g. *Eudora*, *Outlook*, *Webmail*, etc.)
- Internet browser (e.g. *Netscape* or *Internet Explorer*)
- *FirstClass* conferencing system* (described and provided in your course materials package)
- SFU computing account (SFU students only); get it online at <<http://my.sfu.ca>>

General

- Prior computer knowledge is expected (i.e. ability to save files, install programs, and maintain your computer).
- Familiarity with the Internet, e-mail, and related applications is highly recommended.

3. Please Note:

- Support is not available for general computer problems such as operating system difficulties and hardware problems.
- If you are having problems getting started with *FirstClass*, you may drop in to Teaching and Learning Technologies (West Mall Centre, room 1340) from 9:00 AM to 3:00 PM during the first week of classes. Students unable to access the Burnaby campus may call the Centre at 604-291-5575 or e-mail <help@firstclass.sfu.ca> for assistance.
- The subsidized modem hours allotted to SFU students each semester are not normally sufficient to complete the required course work.
 - A voucher system has been implemented to allow students to pay for continued modem access on 604-291-4721 (after your subsidized access is used up). Vouchers may be purchased from campus bookstores in increments of \$20. At 60 cents per hour, each voucher is good for approximately 33 hours. Instructions are included with the voucher.
 - For complete information on SFU's modem access policy, check the ACS web site, above.
 - **Out-of-town students only:** It is recommended that students residing outside the Lower Mainland contact local Internet service provider (ISPs), since using SFU dialup services will result in additional long-distance charges. Check your local yellow pages under "Internet" for listings.
