8:30-10:20 IN AQ 4100

PREREQUISITE: None.

COURSE DESCRIPTION

- This is an introductory course intended for beginning students who may be interested in but not necessarily already committed to, pursuing educational studies.
- We will explore a small but representative sample of questions and issues relating to: the concept or idea of education; learning and the learner, the teacher and a teaching life; and the broader contexts of education in the global village and the postmodern world.
- You will examine questions relating to: the concept or idea of education; learning and the learner, teaching and the teacher; disciplines and discourse of education; and the broader contexts of education in the global village and the postmodern world.
- The course models a range of instructional strategies, including: discussion; reflective practice; story; case studies; in-class exercises.
- The course offers a range of learning experience, including: discussion; reading and responding orally and in writing; research and field –work.
