WEDNESDAYS 4:00 PM - 9:00PM & THURSDAYS 4:00PM - 9:00PM

PREREQUISITE: EDUC 401/402

COURSE DESCRIPTION
This course will introduce beginners to foundations of art education which includes elements of art and design. Students of the course will explore creative processes and the application of art with respect to the age/grade/subjects of students they teach. Processes of art, value of art in education, art history and assessment will be explored within a studio based atmosphere.

OBJECTIVES
1. Understand the theory and practice of several studo processes based on hands on experience.
2. Complete sketchbook assignments designed to explore the elements of art.
3. Understand the purpose of art and art education.
4. Demonstrate an understanding of curriculum planning by developing a project that they write and illustrate.
5. Participate in historical and analytical discussions that relate to IRP learning outcomes and assessment.

CONTENT
Goals of art education curriculum, hands on learning of art/studio processes, examining/evaluating historical and contemporary art; and developing resources for individual teaching situations.
