## MEMORANDUM

To..... Dr. Wyn Roberts, Chairman  
..... Faculty of Arts Curriculum Committee  
Subject..... New Course Proposal

From..... Andrea Lebowitz, Chairperson.....  
..... Undergraduate Curriculum Committee  
Date..... December 4th, 1979.....

Please place the attached new course proposal on the agenda for the next Faculty of Arts Curriculum Committee meeting.

I sent this proposal to Dr. Wideen, Chairman of the Faculty of Education Curriculum Committee, and he circulated it to his faculty. Professor Zola had some question about course overlap. However, we have discussed the matter and are agreed that the methodology and goals of the Education and proposed English course are so different that there is not substantial overlap.
