COURSE NAME: Early Childhood Education
SEMESTER: Spring/75

CALENDAR DESCRIPTION: Current trends, issues and research relating to the education of young children.

COURSE INFORMATION:

<u>Instructor</u>	<u>Dates</u>	<u>Day</u>	<u>Time(s)</u>
Roger Gehlbach	Jan. 6 - Apr. 4	Thursday	4:30 - 8:30

Instructional Format

The course is divided into three distinct sections: 1) The Developing Child and His Environment, 2) The Experience of Growth, 3) The Child and Society. Within each section of the course, students will choose an issue on which to develop an argument for a personal/professional point of view. Seminars will be devoted to the discussion of each issue by the group, to facilitate students' development of their arguments.

Requirements

The selection of one controversial issue from each section of the course and the writing of a position paper for each. Papers are of no required length. All readings will be based on students needs and selections.
