RE:	New Ethicists for SFU REB		

Currently, we have one REB member who has been designated as being knowledgeable in ethics. However, this individual is not able to attend the meetings of all three subcommittees. Therefore, in order to ensure that each subcommittee is able to achieve quorum, as defined in Section 15.17 of Policy R20.01, a list of individuals who are qualified to serve on the REB have been compiled by the Office of Research Ethics with the consent of the individuals. The list of individuals is attached.

The following motion is thus submitted to SCUP for consideration:

Motion:

That SCUP approve the list of individuals with ethics qualifications to serve on the REB and forward the list to Senate for final approval.
