

MEMORANDUM

ATTENTION	Senate	DATE	May 27, 2014
FROM	Andrew Petter, Chair Senate Committee on Agenda and Rules	PAGES	1/1
RE:	Proposed Changes to the Senate Committee Terms of Convocation Senators		

The Senate Committee on Agenda and Rules has had a request from the current Convocation Senators to match the Convocation Senator committee terms to their Senator terms. This would provide more consistency for the Convocation Senators. SCAR is making the following recommendation, effective [June 2014](#).

Motion:

“That the current terms of convocation senator positions on Senate committees end immediately and that all subsequent terms of convocation senators on Senate committees are three years.”
