RE: **Beedie Materials for upcoming SCUS meeting**

DATE May 18, 2016

The Undergraduate Curriculum Committee in the Beedie School of Business has approved the following:

Spring 2017 Changes:

1. Program Change: Business Minor minimum grade in prerequisite courses

Would you please place this item on the June 2nd, 2016 Senate Committee on Undergraduate Studies Agenda?

Calendar Entry Change

Name of Program or Name of Faculty

Business Minor, Beedie School of Business

Rationale for change:

Students are required to have a minimum C- in order for a course to count as a prerequisite in the Business Minor. This will make the language consistent with that used for the Business Major and other programs.

Effective term and year:

Spring 2017

The following program(s) will be affected by these changes:

Business Minor

Calendar Change: “to” and “from” sections are not required. All deletions should be crossed out as follows: ~~sample~~. All additions should be marked by a **bold**.

Grade Requirements

In addition to normal university grade point average requirements, the Beedie School of Business requires a minimum 2.40 cumulative grade point average (CGPA) for entry into all 300 and 400 division business courses.

For a course to be accepted as fulfilling a **prerequisite, or for** a lower division requirement, ~~or for a core course to be accepted~~ in a student's program in business, a student must have obtained a minimum grade of C- (C minus).
