Re: HSCI 855 (3) Graduate Course Change

The Faculty of Health Sciences would like to request the attached calendar changes in the HSCI 855 course effective Summer 2017. The changes in prerequisites are proposed to limit the course enrollment to second year students in the MPH program or to students with a health promotion background.

Thank you for your consideration.

Kind Regards,

Graduate Course Change

Attach a separate document if more space is required.

Course Subject/Number	HSCI 855	Units	3	Effective Term and Year	Summer 2017
Course Title	Health Promotion in Practice: The Canadian Context				
Rationale for Change:	HSCI 855 requires students to have basic knowledge about the course topic. Adding a HSCI 880 course as a prerequisite (required to be completed in first year in the program) will guarantee that students enter into the course with some prior knowledge.
