RE: Rajan Family Scholar in Computing Science

c: Mike den Haan, Vice-President, Advancement and Alumni Engagement

DATE: October 27, 2016

Background

The Rajan family Endowment Fund was established from a portion of a larger gift from Mr. Aymnmohamed Rajan. The endowment will support the Rajan Family Scholar in Computing Science and will generate revenue to provide a stipend or pay program expenses to a faculty member to encourage excellence and innovation in curriculum development and teaching in Computing Science.

The Dean of the Faculty of Applied Sciences and Director of Computing Science has been consulted and this has been approved by the appropriate Vice-Presidents as indicated on the next page.

I request that you submit the proposed to SCUP for consultation regarding the naming and forward to Senate for consultation.

Thank you.

Vice-Presidential Acknowledgement:

I hereby approve the official naming of the *Rajan Family Scholar in Computing Science*.
