# Graduate Course Change

Attach a separate document if more space is required.

Course Subject/Number BUS Courses	Units	Effective Term and Year Fall 2024
Course Title Courses in the attached spreadsheet.		
Rationale for Change: Beedie has been offering courses which have equivalent content, but a specific course number tied to a particular program enrollment. This change cleans up inconsistent equivalency language in the current calendar so that all courses that have equivalent content have corresponding equivalency statements and can be substituted in a student's study plan without the need for additional exception paperwork.
