Course Subject/Number BUS 630	Units 4	Effective Term and Year Fall 2024
Course Title Data and Decision Making for Indigenous Businesses		
Rationale for Change: <small>Credits reduced from 4 to 2 to reflect workload and content, and allow for students to take more course offerings during their program. Our program review indicated the need for additional Indigenous business topics while maintaining the total credits in IBL EMBA program. We are therefore redesigning the course, removing some content and focusing on essential needs for Indigenous leaders. This will reduce credits from 4 to 2 in this course to reflect new workload and content for the course. This change will allow the program to include additional topics in the larger program while maintaining the essentials for Data and Decision Making for Indigenous leaders.</small>

Memo: STAT 899 Units

Hello Vance,

This memo confirms that we'd like to change our credits for our thesis course (STAT 899) from 6 units to 18 units. To avoid too many alterations within the program, we'd like to present this on our website as "Students have to complete x amount of credits (usually 24, or 30, depending) of courses + a thesis course".

Regards,

Liangliang Wang
