* approved for signature by SFU's President.

3. Received for Information

3.1 For Clarification: ISEC Approval Process for Agreements
Currently ISEC approves new student exchange agreements for signature by the President which are then sent to SCIA for information. SCIA recommends that this arrangement continue, however if there are any concerns regarding an exchange agreement, it should come to SCIA for approval, before signature.

3.2 Termination of Exchange Agreement with Fudan University, China. The Faculty of Business at SFU terminated this agreement because the current structure of the graduate business program does not easily accommodate student exchanges.

3.3 SCIA received field school reports for India and Italy.

3.4 North America Mobility Program 2008-2010 Proposal. The complete proposal will come back to SCIA for approval at a future meeting.

3.5 SCIA to ask Senate to approve the Field School Process.

3.6 Memo from VP Academic regarding Field School Surpluses. SCIA does not agree with the VP Academic's solution regarding Field School surpluses. Jon Driver will write a memo to VP Academic regarding this and the solution that SCIA proposes.

3.7 General MOUs between SFU and 11 Pakistani Universities were signed in the spirit of future collaboration in May 2008. Since then, three Universities have approached SFU to formalize their MOUs for specific activity in exchange, research and/or training.

3.8 Field School Surpluses Memo: This memo from VP Academic approves a proposal from SCIA that all field school surpluses greater than $100 be refunded to students, effective with the 2007 field school. SCIA would like clarification on the wording of the following phrase in the memo ... all the field school surpluses **in excess** of $100 be refunded to students ...

3.9 North American Mobility Partnership Program cancelled. The Faculty of Education withdrew from this competition because the other Canadian partner had pulled out at the last moment and there was not enough time to locate a new Canadian partner.

3.10 Prague Field School final budgets and reports were presented to SCIA.

3.11 Additional information provided by Ian Andrews on the short-term non-credit language study program for teachers-in-training coming to SFU from Sangmyung University in Korea. Program was approved by SCIA members at the September 17, 2008 meeting, subject to obtaining this additional information.

3.12 The field school budgets and reports were presented to SCIA. SCIA to draft letter outlining guidelines for Field School Directors. James Busumtwi-Sam to discuss with Nello Angerilli and Jon Driver.

Information on ISEC can be found on the following web page: http://www.sfu.ca/Senate/SenateComms/ISEC/index.html

- ISEC approved the exchange agreement with Robert Schuman University, for signature by SFU's President.

- ISEC approved the 1-year pilot exchange agreement between SFU's French Cohort Program in Public Administration and Community Services and Universite Catholique de Louvain's Departement des Sciences Politiques et Sociales, for signature by SFU's President.

- ISEC approved a recommendation from SFU International to have one formal exchange application deadline per year (January 15) for exchanges taking place in all terms. This would be followed by a 2nd (March 15) and 3rd (July 15) round deadline for remaining spaces at partner institutions.

- ISEC decided not to expand the current agreement (specific to the Department of Math) with the University of Richmond to a university-wide level.

In 2007/08, 355 applied to participate in the University's international bilateral and multilateral exchange programs. Of the 355 applicants, 93 were incomplete applications, 23 were not approved, and 54 applicants cancelled after the ISEC committee selection. ISEC selected 239 out of the 355 students to participate, and 185 went on exchanges. The number of applicants is an increase from 2006/07, where 345 applied for exchanges and 157 went on exchanges. A detailed report is located in Annex B.
