# **RBC Financial Endowment for the RBC Financial Professor in Technology & Innovation**

## **Terms of Reference**

**December 7, 2004**

The RBC Financial Professor in Technology & Innovation is established by the RBC Financial Endowment Fund. The purpose of the Endowment is to fund the RBC Financial Professor in Technology & Innovation, normally held by the Dean of the Faculty of Business Administration, Simon Fraser University.

The term of the RBC Financial Professor in Technology & Innovation is normally for a minimum of 5 years and is renewable upon approval of Simon Fraser University following University Policy A10.06 that will govern the appointment and renewal of such Professorships.

The Endowment will be held in perpetuity. A portion, as determined by the Vice President Academic, will be used to support a stipend plus benefits for the Professorship. Also, a portion is to be reinvested in the Endowment in order to protect its value over time. Depending on the status of the Endowment the Vice President Academic, as administrator of the Fund, may approve the awarding of a research grant to the holder of the Professorship for the purpose of pursuing research into issues of technology and innovation management.

In the event that circumstances make the specified use of the Endowment Fund no longer practicable or desirable, the Board of Governors at Simon Fraser University is hereby authorized to make any changes it may deem necessary in the terms or use of the Endowment Fund. Such changes, however, would be in keeping, as far as possible, with the original spirit and general intent of the Endowment Fund.
