

## MEMORANDUM

**To:** Senate

**From:** A. MacKinnon, Chair  
Senate Committee on Undergraduate Studies

**Subject:** Deletion of courses not offered

**Date:** December 12, 2002

---

Senate Paper S.73-125 provides that any courses not offered within a six semester period be deleted from the Calendar unless adequate justification for retaining the course is presented, with SCUS charged with reviewing those courses under this ruling.

The Registrar advised Faculty Deans of those courses which fell under the above provisions and requested a response to the notice of intention to delete the courses. SCUS approved the department/faculty recommendations for deletion. In a number of cases, SCUS agreed that there was adequate justification to retain the course for the present.
