

SIMON FRASER UNIVERSITY

OFFICE OF THE VICE-PRESIDENT, ACADEMIC

MEMORANDUM

To: Senate

From: D. Gagan, Chair *David Gagan*
Senate Committee on Academic Planning

Subject: School of Engineering Science -
Graduate Curriculum Revisions
(SGSC Meeting June 30, 1997)
(SCAP Reference: SCAP 97-38)

Date: September 16, 1997

For Information:

Acting under delegated authority of Senate, the Senate Graduate Studies Committee approved revisions in the School of Engineering Science including:

New course: ENSC 858-3 VLSI Systems Design

Description changes: ENSC 852-3 Analog Integrated Circuits
ENSC 861-3 Source Coding in Digital
Communications
ENSC 887-3 Vision for Robotics

Change in Requirements for M.Eng. Program
Change in Requirements for Ph.D. Qualifying Examination

The full report of curriculum revision is available in Secretariat Services for consultation by any Senator. Please contact Bobbie Grant, Senate Assistant at 291-3168 or e-mail bgrant@sfu.ca if you wish to review this material.
