Subject.....GRADUATE CALENDAR CHANGE -.....	Date.....September 29, 1981.....
.....COLLOQUIUM.....	

The Geography Graduate Studies Committee has approved the change in the definition of colloquium, to be inserted in the graduate calendar. The rationale for such a change was discussed at a recent Graduate Studies Committee meeting, and it was concluded that the purpose of the colloquium outlined in the calendar was misleading. The Graduate Studies Committee, therefore, agreed to revise the definition as shown below.
