MOTION 2: "That Senate approve, as set forth in S.73-134, a change in requirements for a major in Economics and Commerce

From: 'At least 25 upper division credits in Economics, including at least one 400 division Economics course, and at least 26 upper division credits in Commerce, including at least one course from each of the four areas mentioned for Commerce majors and at least one 400 division Commerce course in addition to COMM 478-3.'

To: 'At least 25 upper division credits in Economics including at least one 400 division Economics course and at least 26 upper division credits in Commerce, including at least two 400 division Commerce courses. At least one course is required from each of the four areas mentioned for Commerce majors.'"

- MOTION 3: "That Senate approve, as set forth in S.73-134, a change in requirements for honors in Commerce
- From: 'At least 44 upper division credits in Commerce, including one course from each of the four areas mentioned for Commerce majors and including COMM 478-3. At least two 400 division Commerce courses in addition to COMM 478-3 are required.'
- To: "At least 44 upper division credits in Commerce, including one course from each of the four areas mentioned for Commerce majors. At least three 400 division Commerce courses are required.'"
- MOTION 4: "That Senate approve, as set forth in S.73-134, a change in requirements for honors in Economics and Commerce
- From: 'At least 30 upper division credits in Economics, including ECON 310-3 and 331-5, and 30 upper division credits in Commerce, including one course from each of the four areas mentioned for Commerce majors and COMM 478-3. Also required are ECON 401-5, at least one additional 400 division Economics course, and at least one 400 division Commerce course in addition to COMM 478-3.'
- To: 'At least 30 upper division credits in Economics, including ECON 310-3 and 331-5, and 30 upper division credits in Commerce, including one course from each of the four areas mentioned for Commerce majors. Also required are ECON 401-5, at least one additional 400 division Economics course, and at least two 400 division Commerce courses.'"
- MOTION 5: "That Senate approve, as set forth in S.73-134, for ECON 201-3 the change in vector
- From: '(1-2-0)
- To: '(2-1-0)'"
- MOTION 6: "That Senate approve, as set forth in S.73-134, for ECON/COMM 293-3 the change in description by adding:
- 'ECON/COMM 293-3 is not to be taken concurrently with COMM 393.'"

MOTION 7: "That Senate approve, as set forth in S.73-134, for COMM 393-3
i) The change in description by adding:
'ECON/COMM 293-3 is not to be taken concurrently with COMM 393.'
ii) The change in vector
From '(3-0-0)'
To '(2-1-0)'"

MOTION 8: "That Senate approve, as set forth in S.73-134, for ECON 302-3
the change in prerequisite
From: 'ECON 202-3'
To: 'ECON 200-3.'"

MOTION 9: "That Senate approve, as set forth in S.73-134, for ECON 310-3
the change in description
From: 'The demand for money; money and credit creation; interest rate
theory and practice; monetary policy in a centralized banking
system and in relation to international finance.'
To: 'Banking theory and practice in a Canadian context; the supply
theory of money; the demand for money; money and credit creation;
monetary policy in a centralized banking system and in relation
to international finance.'"

MOTION 10: "That Senate approve, as set forth in S.73-134, for ECON 332-3
i) The change in title
From: 'Elementary Economic & Business Statistics'
To: 'Elementary Economic and Business Statistics I.'
ii) The change in vector
From: '(2-1-1)'
To: '(2-2-0)'"

MOTION 11: "That Senate approve, as set forth in S.73-134, for Economics 333-3
the change in vector
From: '(2-1-1)'
To: '(2-2-0)'"

MOTION 12: "That Senate approve, as set forth in S.73-134, for ECON 351-5
the change in description
From: 'Examination of the economic evolution of mature industrial
nations of Europe since the Industrial Revolution, with special
emphasis on technology, financial institutions, forms of business
and labor organizations, and the role of government.'
To: 'A detailed examination of the major issues in European economic
history.'"

MOTION 13: "That Senate approve, as set forth in S.73-134, for ECON 365-5
the change in description
From: 'Introductory analysis of location and space economy. Economic
development problem related to the sub-national status of regions.
Strategy of regional development measures.'
To: 'Investigation into the practical and theoretical aspects of
industrial location analysis. An examination of models of spatial
equilibrium and change. Urbanization patterns. Regional growth
and development theory and policy. Strategies for regional
development.'"

MOTION 14: "That Senate approve, as set forth in S.73-134, for ECON 390-3
the change in vector
From: '(1-2-0)'
To: '(2-1-0)'"

MOTION 15: "That Senate approve, as set forth in S.73-134, for ECON 410-3
i) The change in description
From: 'Analysis of money as an economic variable; role of money in
micro- and macro-analysis. Banking theory and the supply theory
of money.'
To: 'Analysis of money as an economic variable; role of money in
micro- and macro-analysis.'"
ii) The change in prerequisite
From: 'ECON 304-3'
To: 'ECON 302-3, ECON 304-3, and ECON 310-3.'"

MOTION 16: "That Senate approve, as set forth in S.73-134, for COMM 223-5 the change in description

From: 'Purpose and logic of accounting. Basic techniques and accepted principles, balance sheets and income determination, sources and application of funds statements, accounting for partnerships and corporations, price level influences.'

To: 'Examination of the basic accounting process and the analysis of financial statements. Includes a review in detail of the accounting problems for all types of business organizations, with emphasis on the owners' equity, cash, investments, receivables, inventories, fixed assets and liabilities, plus an examination of current accounting principles and the limitations of accounting data.'"

MOTION 17: "That Senate approve, as set forth in S.73-134, for COMM 322-3

i) The change in title

From: 'Intermediate Accounting'

To: 'Intermediate Financial Accounting.'

ii) The change in description

From: 'Theory of balance sheet accounting; instalment sales and consignment accounting; analysis of financial statements.'

To: 'An understanding of the principles behind current practice and a review of alternative theories of accounting. Practice in problem-solving and analysis as a step towards the development of competence at the professional levels.'"

MOTION 18: "That Senate approve, as set forth in S.73-134, for COMM 324-3

i) The change in title

From: 'Cost Accounting I'

To: 'Managerial Accounting I.'

ii) The change in description

From: 'Theory and method, efficiency standards and variances, avoidable and general overheads, contributions, patterns of production, and integration with financial accounts.'

To: 'Theory and methods of cost compilation for managerial planning, control and decision making: the use of budgets and analyses in planning and controlling operations, establishing supervisory and

departmental responsibility, and various techniques of measuring results.'" "

MOTION 19: "That Senate approve, as set forth in S.73-134, for COMM 332-3

i) The change in title

From: 'Economics and Business Statistics.'

To 'Elementary Economic and Business Statistics I.'

ii) The change in vector

From '(2-1-1)'

To: '(2-2-0)'" "

MOTION 20: "That Senate approve, as set forth in S.73-134, for COMM 333-3

The change in vector

From: '(2-1-1)'

To: '(2-2-0)'" "

MOTION 21: "That Senate approve, as set forth in S.73-134, for COMM 337-3

The change in prerequisite

From: 'MATH 106-3 or CMPT 100-3 or 102-2'

To: 'MATH 106-3 or CMPT 100-3.'" "

MOTION 22: "That Senate approve, as set forth in S.73-134, for COMM 371-3

The change in description

From: 'The study of organization theories using multidisciplinary perspectives and research. Comparative analysis of organizational change and its impact on the behaviour, processes and administration or organization.'

To: 'Examines organizational processes and structures from various perspectives. The study of human factors influencing organizational effectiveness and organizational adaptation -- motivation, communication, authority, leadership, decision-making and organization-environment relationships.'" "

MOTION 23: "That Senate approve, as set forth in S.73-134, for COMM 387-3

The change in description

From: 'Recruiting, training, and organization of staff, job demarcation and specification; remuneration policy; joint consultation.'

To: 'Human resource management; recruitment, selection, and training; individual and group motivation and behaviour; internal labour markets; assessment and compensation systems; personnel work as specialty and profession; cooperation and conflict in labour-management relations.'"

MOTION 24: "That Senate approve, as set forth in S.73-134, for COMM 423-5

i) The change in description

From: 'Liquidations, business combinations, departmental and branch accounting; consolidated statements; estate and trust accounting; government accounting.'

To: 'Accounting theory and the relationship of accounting to other disciplines and society. Instalment and branch accounting, consolidations, bankruptcy, estate, trust, and government accounting.'

ii) The change in vector

From: '(3-0-2)'

To: '(2-0-3)'"

MOTION 25: "That Senate approve, as set forth in S.73-134, for COMM 424-3

The change in title

From: 'Cost Accounting II'

To: 'Managerial Accounting II.'"

MOTION 26: "That Senate approve, as set forth in S.73-134, for COMM 428-3

i) The change in title

From: 'Accounting Systems and Auditing'

To: 'Management Information Systems'

ii) The change in description

From: 'Evaluation and design of financial information systems. The economics of information production. Measurement and communication factors. Implementation questions. Auditing (controlling) the system. Management evaluation.'

To: 'Evaluation, design and implementation of MIS. A review of the current "state of the art" and examination of technical, economic,

organizational and behavioural problems.'

iii) The change in prerequisite

From: 'COMM 223-5'

To: 'COMM 337-3.'"

SIMON FRASER UNIVERSITY

S.73-134

MEMORANDUM

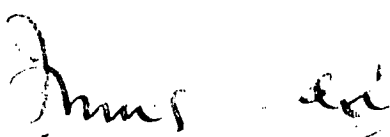

To SENATE

From SENATE COMMITTEE ON
UNDERGRADUATE STUDIES

Subject FACULTY OF ARTS - DEPARTMENT OF
ECONOMICS AND COMMERCE - CHANGES IN
REQUIREMENTS, COURSES

Date NOVEMBER 14, 1973.

On the recommendation of the Faculty of Arts, the Senate Committee on Undergraduate Studies has approved changes, - as set forth in SCUS 73-37III - for the Department of Economics and Commerce in requirements for a major in Commerce, major in Economics and Commerce, honors in Commerce, honors in Economics and Commerce, changes in course titles, course descriptions, pre-requisites, vectors, and recommends approval to Senate.

I. Mugridge

HME:jb

DEPARTMENT OF ECONOMICS AND COMMERCE

p. 79

Major
in
Commerce

Change in Requirements: From "At least 30 Upper Division credits in Commerce, including COMM 478-3 plus at least one other 400 division Commerce course . . . "

to "At least 30 Upper Division credits in Commerce including at least two 400-division Commerce courses."

Rationale:

Commerce 478-3 has been dropped as a requirement for Commerce majors and Economics and Commerce majors. However, the requirement of two 400 Division courses has not been changed.

Major
in
Economics
and
Commerce

Change in Requirements: As above.

p. 80

Honors
in
Commerce

Change in Requirement: From " . . . including one course from each of the four areas mentioned for Commerce majors and including Commerce 478-3. At least two 400 division courses in addition to Commerce 478-3 are required."

to " . . . including one course from each of the four areas mentioned for Commerce majors. At least three 400-Division Commerce courses are required."

Rationale;

Commerce 478-3 has been dropped as a requirement for Commerce honors. However the requirement of three 400 Division courses has not been changed.

Honors
in
Economics
and
Commerce

Change in Requirement: As above.

DEPARTMENT OF ECONOMICS AND COMMERCE

- p. 81 ECON 201-3 Vector change. From (1-2-0)
to (2-1-0).
Rationale:
Vector dscription was incorrectly printed in
previous calendar.
- p. 82 ECON/ COMM 293-3 Change in Description: Add "ECON/COMM 293-3 is not to
be taken concurrently with COMM 393."
Similarly
Description change: Add "ECON/COMM 293 is not to
be taken concurrently with COMM 393."
Vector change: From (3-0-0)
to ~~(3-0-0)~~ (2-1-0)
Rationale:
This course is now being offered as 2 one hour
lectures and one hour tutorial.
- p. 82 ECON 302-3 Prerequisite change: From Economics 202-3
to Economics 200-3.
- ECON 310-3 Change in Description: From "The demand for money;
money and credit creation; interest rate theory and
practice; monetary policy in a centralized banking
system and in relation to international finance."
to "Banking theory and practice in a Canadian context;
the supply theory of money; the demand for money;
money and credit creation; monetary policy in a
centralized banking system and in relation to inter-
national finance."
See Appendix B.
- p. 83 ECON 332-3 Title Change: "Elementary Economic and Business
Statistics I." This course was formerly "Elementary
Economic & Business Statistics".
Rationale:
To conform to COMM 333-3 which is number "II".

DEPARTMENT OF ECONOMICS AND COMMERCE (cont.)

Vector Change: From (2-1-1)

to (2-2-0).

Rationale:

When the course was originally put forth for approval the class was using Mathematics labs and facilities (Computing) on a regular basis and the 1 hour lab was indicated. This is no longer the case and the department wishes to correctly reflect the nature of the course.

ECON
333-3

Vector change: From (2-1-1)

to (2-2-0) .

Rationale:

As for 332-3.

ECON
351-5

Change in Description: From "Examination of the economic evolution of mature industrial nations of Europe since the Industrial Revolution, with special emphasis on technology, financial institutions, forms of business and labor organizations, and the role of government."

to " A detailed examination of the major issues in European economic history."

See Appendix C.

p. 84

ECON
365-5

Change in Description: From "Introductory analysis of location and space economy. Economic development problem related to the sub-national status of regions. Strategy of regional development measures."

to "Investigation into the practical and theoretical aspects of industrial location analysis. An examination of models of spatial equilibrium and change. Urbanization patterns. Regional growth and development theory and policy. Strategies for regional development."

See Appendix D.

ECON
390-3

Vector Change: From "(1-2-0)"

to "(2-1-0)".

DEPARTMENT OF ECONOMICS AND COMMERCE (cont.)

Rationale:

This course is now being offered with two one hour lectures and one hour tutorial.

p. 95 ECON
410-3

Change in Description: From "Analysis of money as an economic variable; role of money in micro- and macro-analysis. Banking theory and the supply theory of money."

Delete "Banking theory and the supply theory of money."

Prerequisite change: From "ECON 304-3"

to "ECON 302-3, ECON 304-3, and ECON 310-3."

See Appendix E.

p. 87 COMM
223-5

Change in Description: From "Purpose and logic of accounting. Basic techniques and accepted principles, balance sheets and income determination, sources and application of funds statements, accounting for partnerships and corporations, price level influences."

to "Examination of the basic accounting process and the analysis of financial statements. Includes a review in detail of the accounting problems for all types of business organizations, with emphasis on the owners' equity, cash, investments, receivables, inventories, fixed assets and liabilities, plus an examination of current accounting principles and the limitations of accounting data."

See Appendix E.

COMM
322-3

Title Change: "Intermediate Financial Accounting".
This course was formerly "Intermediate Accounting".

Change in Description: From "Theory of balance sheet accounting; instalment sales and consignment accounting; analysis of financial statements."

to "An understanding of the principles behind current practice and a review of alternative theories of accounting. Practice in problem-solving and analysis as a step towards the development of competence at the professional levels."

See Appendix G.

DEPARTMENT OF ECONOMICS AND COMMERCE (cont.)

p. 88

COMM
324-3

Title Change: "Managerial Accounting (I)". This course was formerly entitled "Cost Accounting (I)".

Change in Description: From "Theory and method, efficiency standards and variances, avoidable and general overheads, contributions, patterns of production, and integration with financial accounts."

to "Theory and methods of cost compilation for managerial planning, control and decision making: the use of budgets and analyses in planning and controlling operations, establishing supervisory and departmental responsibility, and various techniques of measuring results."

See Appendix H.

COMM
332-3

Title Change: "Elementary Economic and Business Statistics (I)" This course was formerly entitled "Economics and Business Statistics".

Vector Change: From (2-1-1)

to (2-2-0).

Rationale:

Course no longer using Mathematics labs.

COMM
333-3

Vector Change: From (2-1-1)

to (2-2-0).

Rationale:

Course no longer using Mathematics labs.

COMM
337-3

Prerequisite change: From "Prerequisite: Math 106-3 or 102-3 or 102-2".

Delete "or 102-2".

p. 89

COMM
371-3

Change in Description: From "The study of organization theories using multidisciplinary perspectives and research. Comparative analysis of organizational change and its impact on the behaviour, processes and administration or organization."

to "Examines organizational processes and structures from various perspectives. The study of human factors influencing organizational effectiveness and organi-

DEPARTMENT OF ECONOMICS AND COMMERCE (cont.)

zational adaptation -- motivation, communication, authority, leadership, decision-making and organization-environment relationships."

See Appendix J.

COMM
387-3

Change in Description: From "Recruiting, training, and organization of staff; job demarcation and specification; remuneration policy; joint consultation."

to " Human resource management; recruitment, selection, and training; individual and group motivation and behaviour; internal labour markets; assessment and compensation systems; personnel work as specialty and profession; cooperation and conflict in labour-management relations."

See Appendix K.

p. 90
COMM
423-5

Change in Description: From "Liquidations, business combinations, departmental and branch accounting; consolidated statements; estate and trust accounting; government accounting."

to "Accounting theory and the relationship of accounting to other disciplines and society. Installment and branch accounting, consolidations, bankruptcy, estate, trust, and government accounting."

Vector Change: From "(3-0-2)"

to "(2-0-3)".

See Appendix L

COMM
424-3

Title Change: "Managerial Accounting(II)". This course was formerly entitled "Cost Accounting (II)".

See Appendix M.

COMM
428-3

Title Change: "Management Information Systems". This course was formerly entitled "Accounting Systems and Auditing".

Change in Description: From "Evaluation and design of financial information systems. The economics of information production. Measurement and communication factors. Implementation questions. Auditing (controlling) the system. Management evaluation."

to " Evaluation, design and implementation of MIS. A review of the current "state of the art" and examination of technical, economic, organizational and behavioural problems."

DEPARTMENT OF ECONOMICS AND COMMERCE (cont.)

Prerequisite Change: From "COMM 223-5"
to "COMM 337-3".

See Appendix N.
