SIMON FRASER UNIVERSITY

MEMORANDUM

To Members of Senate

From Academic Planning Committee

Subject Extension of Deadline Dates

Date December 22, 1971

Motions:

- (1) That the date of January 31st, 1972 for the submission to the Academic Planning Committee of a coherent program in Social Relations be extended to March 31st, 1972.
- (2) That the date of January 31st, 1972 for the submission to Senate through the Academic Planning Committee of the Faculty of Education report regarding its curriculum, staffing and organization be extended to March 31st, 1972.

Rationale: Senate at its special meeting of October 25th, 1971, approved motions relating to the two aforementioned reports with the deadlines for submissions of such reports specified as being January 31st, 1972. This deadline was proposed in the APC report at a time when it was envisaged that Senate action might be possible at the September meeting, thus providing four to five months for preparation of detailed submissions. The January deadline has made it difficult to facilitate extensive discussions appropriate to the magnitude of the tasks set. A two-month extension in the deadline date is therefore requested.
