Paper S-69

To: Senate

From: Registrar

12 October, 1967

Subject: Remembrance Day

The Academic Calendar of Events for the 1967-68 Calendar did not show the day of rest to be taken in lieu of November 11, Remembrance Day, which falls on a Saturday.

Since by law we are required to give employees a day off in lieu, Senate is asked to ratify Friday, November 10, as the day which will be observed for Remembrance Day by the closure of all lectures, laboratories and tutorials.
