Students with credit for TECH 128, 129 and 130 or for BUS 130 may not take this course for further credit. Students with greater than 45 units will not receive credit for Bus 201.

RATIONALE:

In our first offering of Bus 130/201, it is apparent that some senior students are enrolling in the course as an elective. It hasn't been offered in several years and it is meant as an introduction to the study of Business for lower division students in BusOne, but it is not currently required as a

pre-requisite. Given the grading norms in the faculty, upper division students taking the course for “easy” credit discourage the others.

Does this course replicate the content of a previously approved course to such an extent that students should not receive credit for both courses? If so, this should be noted in the pre-requisite.
