- a) Task Force on University Size  
Paper S.88-28 - Enrolment Limits: September 1988

G. Ivany explained that the University Act gives to the Board of Governors, with approval of Senate, the power to limit enrolment. At the May meeting of the Board, a limitation of 3,000 new admission for the Fall Semester was approved and the same recommendation is now before Senate for formal approval.

Moved by R. Saunders, seconded by K. Rieckhoff,

"that the Registrar set a target of 3,000 new admissions for 88-3. Any resulting reductions will be accomplished as described in the memo of April 21, 1988, referred to in S.88-28"

Following a brief discussion, a proposal to specify that the reduction to new

admissions pertained to 'undergraduate' students was accepted as a friendly amendment.

Question was called, and a vote taken.
