MEMORANDUM

Calendar

SM 20/1/66

To..... Mr. D. P. Robertson, Registrar,

From..... P. Coles,

..... Dept. of Economics and Commerce,

Subject..... Undergraduate Curriculum Submission
to Senate

Date..... January 17th, 1966.

Enclosed is the undergraduate curriculum draft of the Department of Economics and Commerce as it now stands. A few minor amendments have been made in the original draft.

Also enclosed is a schedule showing the courses the Department proposes to offer in the Summer and Fall semesters of 1966 and the Spring Semester of 1967. This schedule with the explanatory note that accompanies it may be published in the Calendar in the 'Departments' section if this is thought desirable.

The President has asked me to write to you as Secretary of Senate to emphasize that the Department does not intend to offer anything near the full curriculum in the coming academic year. In addition, I should advise you that the majority of courses in the upper-division of the curriculum are not intended to be offered in each semester. Several will be offered in alternate semesters and others less frequently.

P. Coles
