**RE: Revision to Policy GP 35: Named Recognition of
Buildings, Academic Endowments and Academic Units**

CC: SCUH

DATE: March 18, 2011

At the January 8, 2007 Senate meeting, responsibility was changed in GP 35 for the named recognition of Chairs and Professorships (4.2) from SCUH to SCUP but did not change section 4.3b. To align the two sections of the policy, it is recommended that 4.3b also be changed transferring the responsibility for advice from SCUH to SCUP. Given the nature of SCUH and its meeting schedule, the present policy does not allow for timely response for the named recognition of academic units.

Motion

That Senate approve and recommend to the Board of Governors the revision of GP 35 which substitutes the Senate Committee on University Priorities for the Senate Committee on University Honours in section 4.3b of the policy.

FROM:

4.3 Named Recognition of Academic Units

b. Proposals for the naming of academic units are to be made to the Board of Governors by the President, on the advice of the Vice-President, Academic, the Vice-President Advancement, the Dean of the Faculty involved, SCUH and Senate.
