Subject: DELETION OF COURSES NOT OFFERED

From: H. D. NAGEL
ACTING REGISTRAR
Date: JULY 13, 1979

In November 1973, Senate approved Paper S.73-125, a part of which follows:

"Issue 3, Proliferation of Course Offerings

c) That any course not offered within a six semester period be deleted from the calendar unless adequate justification for retaining the course is presented to the Senate Committee on Undergraduate Studies and Senate. The Senate Committee on Undergraduate Studies to be charged each semester with reviewing course offerings under this ruling and making appropriate recommendations to Senate."

Our records indicate that the cours listed below has shown no enrolment for the past six semesters. Under the terms of Paper S.73-125, this course will be dropped from the 1980/81 calendar unless justification to the contrary is presented to and accepted by SCUS and Senate.

EDUC 429 - Research for the Classroom Teacher Last offered 76-2

Please confirm in writing to this office by September 14, 1979:

- i) If the Faculty agrees the course listed above is to be deleted from the undergraduate calendar; or
- ii) If the Faculty requires the course listed above be retained and justification for retention will be presented to SCUS.

For your information we are enclosing a copy of a letter of justification in connection with the same course which was questioned a year ago.
