## MEMORANDUM

To: Frank Brown &amp;

Heidi Bennett

Subject: 361

From: A. Lloyd

Date: 9/5

We appear to have a complete schedule and are proceeding with the papers. One note - you will be using K. Egan's paper for session #7 (possibly Easner as well). Council Harmon may not address these papers in their entirety but both Councils' presentations and the papers concern critical analysis.

Let's tackle paper.
