

EDUCATION 491

SECTION 1- ACADEMIC PLANNING

GOAL 1

To provide the opportunity for the students to make informed choices in the area of academic program planning.

OBJECTIVES

Students will:

- 1.1 identify personal short and long term academic goals.
- 1.2 be able to refer to specific Calendar regulations pertaining to requirements for degrees, certificates or diplomas, as necessary.
- 1.3 be able to plan a sequence of courses and organize other requirements to fulfill an academic goal. (ie Bachelors, certificate or diploma)

GOAL 2

To provide the opportunity for the students to become familiar with general information and regulations pertaining to Simon Fraser University.

OBJECTIVES

Students will:

- 2.1 examine General Regulations for Undergraduate Programs as detailed in the Calendar.

SECTION 2 - COMPUTER LITERACY

GOAL 3

To provide students with computer survival skills.

OBJECTIVES

Students will:

- 3.1 handle software and hardware appropriately.

GOAL 4

To increase student awareness of computer capabilities.

OBJECTIVES

Students will:

- 4.1 recognize the literal nature of computers.
- 4.2 discriminate between good and poor uses of computers.

GOAL 5

To provide students with a variety of application skills.

OBJECTIVES

Students will:

- 5.1 utilize word processing with IBM and Tandy computers.
- 5.2 interface computers with printers.
- 5.3 utilize modem capabilities to transfer text files
- 5.4 demonstrate word processing abilities in course work.
- 5.5 utilize electronic mail via MTS (on site specific basis).

SECTION 3 - IN-SCHOOL EXPERIENCES

GOAL 6

To plan and implement a tutoring project.

OBJECTIVES

Students will:

- 6.1 plan a series of lessons to meet the needs of an individual student.
- 6.2 teach and evaluate those lessons.

GOAL 7

To interact professionally with a School Associate and others in the educational community.

OBJECTIVES

Students will:

- 7.1 demonstrate systematic observation skills.
- 7.2 observe all ethical conventions of objectivity and confidentiality.
- 7.3 plan cooperatively with their School Associates.
- 7.4 interact professionally within the school setting.

GOAL 8

To begin the process of analyzing and evaluating personal performance, and accepting feedback.

OBJECTIVES

Students will:

- 8.1 analyze the effectiveness of their tutoring project.
- 8.2 participate in evaluating their overall performance.
- 8.3 reflect on their learning for the semester/year
