		F	10:30 - 12:20

This course is designed as a practical approach to the music programme in the elementary school. Through the study of a sequential music programme from Kindergarten - Year 7, the students will be expected to participate in the playing of the following instruments:

- recorder
- autoharp
- guitar
- ukulele
- percussion instruments
- Orff instruments

Student participation is stressed. Assignments will be of a practical nature for the classroom teacher. No previous music experience is required.
