

FALL 74

COURSE INFORMATION

EDUCATION 463-4 EDUCATIONAL MEDIA

Ed Wong

PREREQUISITE: EDUC. 401/402 or permission of Instructor

DESCRIPTION: Preparation and application of audio-visual materials in Education. Aimed at practising teachers, student teachers, public and industrial educators, the course will have three basic emphases: 1) the operation of equipment commonly found in B.C. schools; 2) the preparation of audio-visual material via techniques which are economical and time saving; 3) the integration of contemporary media tools and concepts into the present school curriculum. As the course will be given in the Learning Resources Lab., a "hands-on" individualized learning approach will be emphasized.
