

Education 474; Designs for Learning - Secondary Social Studies.

Instructor: Michael Daniels

Location : Rm 7600

Time: Tuesday and Friday, 8.30 to 12.30 a.m..

Each time period will be divided into two, the first part being a presentation, and the second being workshop time. Students will be expected to take an active role in both parts of the program by making a weekly and a final presentation of projects.

Week 1; Orientation to the Social Studies.

- what it is

- where it fits into the school curriculum

- what are recent developments

Week 2: Developing approaches to instruction.

- general organization

- short and long term planning

Week 3: Teaching for concept development: meaning and uses.

Week 4: Inquiry strategies: questioning techniques and problem solving.

Week 5: Simulations and Role playing.

Week 6: Presentation of projects to the class
