Assessment and Evaluation

Course Description - Education 472 - 4

This course is for those interested in learning about designing a comprehensive language, literacy and learning program that works for diverse groups of learners in the elementary grades.

This course aims to give you opportunities to explore issues around the teaching and learning of language and literacy that are theoretical in nature and of immediate and practical use to the classroom teacher.

This course is designed to enable you to reflect on your classroom experiences and assist you to develop a repertoire of methods and materials that will deepen and enrich the language and literacy learning of all your students.
