MEMORANDUM

ATTENTION Senate **DATE** March 8, 2022
FROM Jeff Derksen
 Chair of Senate Graduate Studies
 Committee (SGSC)
RE: Capstone Unit Standardization

For Information:

Acting under delegated authority at its meeting of March 8th, 2022, SGSC has approved the standardization of capstone courses within their respective academic units. This change helps designate and clarify how each capstone is defended, and defines the expectations for each completion option.

The units assigned to each course corresponds with how the capstone is defended as per the GGRs.

- Thesis = 18 units (GGR 1.7.2a)
- Defended project = 10 units (GGR1.7.2b)
- Project = 6 units (GGR 1.7.2c)

Please note, the Faculty of Education uses their capstone courses across multiple programs in their academic unit. With this in mind, we have added a separate table showing the new program totals for the courses being changed.
