<p>Name of Program or Name of Faculty Department of Linguistics</p>
<p>Rationale for change:</p> <p>Rationale for change: This change is to allow students to complete both the CLSS (Certificate in the Linguistics of Speech Science) and TESL (Teaching English as a Second Language) certificates in Linguistics. Since Fall 2018, students are no longer able to complete both certificates due to the removal of LING 222. LING 200 was substituted for LING 222 in the CLSS program requirements while it was already a requirement for the TESL Certificate.</p> <p>SFU calendar policy states: <i>Units applied to one certificate may be applied also to major or minor programs of a bachelor's degree under the normal regulations governing those programs but may not be applied to another Simon Fraser University certificate or diploma.</i></p> <p>If students are able to complete both certificates, it provides them more career pathways.</p>
<p>Effective term and year: Spring 2024</p>
<p>The following program(s) will be affected by these changes: Certificate in the Linguistics of Speech Science (CLSS)</p>

Calendar Change: “to” and “from” sections are not required. All deletions should be crossed out as follows: ~~sample~~. All additions should be marked by a **bold**.
