Re: Extension of the Institute for Black and African Diaspora Research and Engagement

To: Wade Parkhouse, Chair, Ex-officio, Senate Committee on University Planning

(SCUP)

The *Institute for Black and African Diaspora Research and Engagement (IBADRE)*, formerly known as the *Institute for Diaspora Research and Engagement (IDRE)* was unable to complete the renewal application due to their reconstitution process started in July 2022, which includes a change of Institute name and scope. I recommend another extension of the Institute be granted to allow more time to finalize their reconstitution process and complete their renewal application.

Motion: That SCUP approve an extension for the renewal of *the Institute for Black and African Diaspora Research and Engagement* till October 30, 2023.

Subject: Extension request for the renewal of the Institute for Black and African Diaspora Research and Engagement

We are writing to request an extension for the renewal of the *Institute for Black and African Diaspora Research and Engagement* (IBADRE), formerly known as the *Institute for Diaspora Research and Engagement* (IDRE).

IDRE was constituted as a research institute at Simon Fraser University under the terms of SFU Policy R 40.01 (Research Centers and Institutes) in fall 2013. In July 2022, IDRE began a reconstitution process, which includes a change of Institute name and focus, as well as an affiliation with and formalization of the SFU Black Caucus.

We would like to coordinate the renewal application with our submission to SCUP regarding the issues raised at SCUP. For these reasons, we request an extension till October 2023.

Best Regards,
