According to the BC Teachers' Council, our teacher education program must comply with the new TEP Approval Standards, developed on March 29, 2022.

https://www2.gov.bc.ca/assets/gov/education/kindergarten-to-grade-12/teach/teacher-regulation/teacher-education-programs/tep_standards.pdf

Requirement #2 – TEP 4.4 The program must meet a minimum of 60 units

4.4 Programs provide a minimum of 16 weeks of high-quality Practicum that represent the range of grade levels and curricular areas that Teacher Candidates are expecting to teach.

Currently, our Professional Linking Program (PLP) offers 13 weeks of high-quality Practicum. By increasing the number of weeks of Practicum from 3 to 6 weeks, this program will meet the required BCTC TEP Approval Standards (March 29, 2022). The student will need to attend an additional 3 weeks for a total of 6 weeks of Practicum in EDUC 403, thus raising the unit value of this course from 11 to 14 units. Each week of classroom observations is up to 9 hours per week.
