Bansal, Ravi

Hi my name is Ravi Bansal

I am extremely interested in getting more involved within SFU and I would be thrilled to take on the position on the Senate Appeals Board. Previously I was the Forum Rep. for Psychology and currently I am the UGSC representative for the psychology department. I am also currently working on being an orientation leader, and am the volunteer coordinator for career night that HCC is holding. I also volunteer at Vancouver's crisis line. I would be pleased to work with SFU more closely and I believe this would be one of those great opportunities.

Thank you for your time.

Ou, George

I would like to be part of the Senate Appeals Board because this is the chance for me to serve other students by hearing and considering their appeals. I enjoy sitting in a group discussing cases where our decisions make a difference to students at school. I also like to help others as much as I can. In cases of student aggravation, I would like to be able to discuss their cases and help them if their complaints are justified. I believe my participation in the Senate Appeals Board would contribute to the decision-making process.

Su, Jack

Statement of interest

My name is Jack Su, majoring in Kinesiology. I am interested in applying for the Senate Appeals Board. Since my first year in Simon Fraser University, I have been actively involved in SFU World University Service of Canada (WUSC), the SFU Student Refugee program, and I am also a member of the SFU Red Cross Club. My interests have led me to participate in an internship in Malawi this summer. I will be returning to Canada and SFU in August. Thank you for your consideration.
