MEMORANDUM

To: Ron Heath, Secretary
Senate Committee on Undergraduate
Studies

From: R. Rogow, Associate Dean
Faculty of
Business Administration

Robert Rogow

Subject: Calendar Revision

Date: December 9, 1985

The Faculty of Business Administration proposes that SCUS consider the following change in the undergraduate calendar:

THAT the prerequisite listed for BUS. 479-5 in the calendar be changed

FROM BUS. 478 (may be taken concurrently) or permission of the instructor.

TO 90 credit hours and completion of the core Business courses.

RATIONALE

Recent experience has shown that the absence of BUS. 478 does not handicap the student who has completed the upper division core courses. Because BUS. 478 can be taken only after 90 hours, the BUS. 478 prerequisite has artificially restricted entry into BUS. 479, which is offered about once a year.

The Undergraduate Curriculum Committee, at its meeting on Monday, December 9th, 1985, approved the above change in the calendar description.

Subject..... Calendar Revision

Date..... December 9, 1985

The Faculty of Business Administration proposes that SCUS consider the following change in the undergraduate calendar:

THAT BUS. 477, Seminar in Small Business, be changed

FROM 3 credit hours

TO 4 credit hours

RATIONALE

It is not possible to cover the necessary material in three hours of class time. In a number of instances in the past, the course has been given in four hours of class time. As well, students are expected to conduct a feasibility study on the establishment of a small business. This results in a work load well beyond the three hours now allocated.

The Undergraduate Curriculum Committee, at its meeting on Monday, December 9th, 1985, approved the above change in the calendar description.
