MEMORANDUM

To Mr. H. M. Evans

From J. S. Barlow

Registrar

Associate Dean of Science

Subject

Date Nov. 27/69

I have been approached by the Mathematics Department with a request to make retroactive the approved renumbering of Mathematics 252-2 and 271-3 to 352-2 and 371-3 respectively.

The following are the reasons:-

- (1) The course contents were approved, and first offered in 69-3, so that little disruption would result from retroactivity.
- (2) Those who have taken the course should be given the approved upper level credit.
- (3) No one would register in the course until upper level credit is given now that this has been approved, i.e. till 70-3.

I concur with the request of the Mathematics Department and ask you to give favourable consideration to granting upper level credit for Mathematics 352-2 and 371-3 to all those who have been credited previously with Mathematics 252-2 and 271-3 respectively.
