Graduate calendar proposal

Geography Department

A. M.A. Requirements.

The section following "Minimum requirements" at the bottom of page 42 should be deleted and the following substituted:

Candidates for the degree of M.A. must complete 30 semester hours of work at the graduate level, with B average or better. All graduate students will be required to take part in the graduate seminar, Geography 806, which does not carry credit. Two types of programmes are offered:

a) With Thesis.

Geography 801-2.

Geography 802-3 or 803-3 or 805-3.

15 semester hours to be selected in consultation with the candidate's advisers; of these up to ten semester hours may be taken in a department or departments other than Geography.

M.A. Thesis: this carries ten semester hours credit.

b) Without Thesis.

Geography 801-2.

Geography 802-3 or 803-3 or 805-3.

25 semester hours to be selected in consultation with the candidate's advisers; of these up to ten semester hours may be taken in a department or departments other than Geography.

At least three extended essays on topics to be approved by the candidate's advisory committee. These essays will not be counted as part of the total semester hours completed for the M.A. degree. The essays may be based on assignments carried out as part of the work in the graduate courses.

B. The department also wishes to add the following item to the list of graduate courses:

891-2 } Directed
892-3 } Readings.
893-5 }

Not more than five semester hours credit in readings courses may be counted towards the requirements for the M.A. degree..
