Paper S-39

To: Senate

From: Registrar

31 August, 1967

Subject: Changes in students requirements

The following Calendar regulation has been agreed to by the Faculties of Arts, Education and Science:

"The calendar governing a student's program will be that in effect at the time the student declares his major to the department concerned. A change of major will be deemed a new declaration. A declaration of a major will be valid for five calendar years."
