Senate Paper S.73-125 provides that any courses not offered within a six semester period be deleted from the Calendar unless adequate justification for retaining the course is presented, with SCUS charged with reviewing those courses under this ruling.

The Registrar advised Faculty Deans of those courses which fell under the above provisions and requested a response to the notice of intention to delete the courses. SCUS approved the department/faculty recommendations for deletion. In a number of cases, SCUS agreed that there was adequate justification to retain the course for the present.

Acting under delegated authority, SCUS approved deletion of the following courses:

CMNS 401	Issues in Communication Network Research
KIN 280	Introduction to Human Factors/Ergonomics
FREN 298	French for Reading Knowledge II
LING 440	History and Philosophy of Linguistics
POL 412	Marxist Political Theory
PSYC 304	Motivation
EDUC 280	Teaching French in BC
MATH 426	Introduction to Lebesgue Theory
