## MEMORANDUM

S.M. 1/4/68

*Gifts*

Senate

From The President

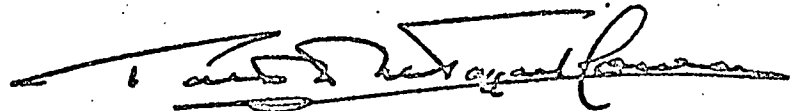

Subject Gifts to University

Date February 22, 1968

14733-PC

At the Committee of Departments meeting of January 30, 1968, the matter of scholarships, bursaries and awards was discussed and it was felt that there would be considerable advantage if the gifts of money received over a one month period were included as a regular information item on the Senate agenda. In addition to these financial gifts, which the Board ultimately accepts, it was suggested that a list of the other forms of gifts to the University, for example, library books, should be included.

This matter has been referred to the Chairman of the Senate Scholarship Committee and to the Librarian. They concur with this suggestion, but recommend that insofar as book gifts are concerned the Secretary of Senate be informed only of the more important donations of books.
