**RE:** Request to Reinstate POL 838

---

Political Science would like to request the reinstatement of POL 838, "Government and Politics of Industrialized Countries," in the Calendar and on SIMS. This course was temporarily withdrawn effective September 2016. We plan to offer it again in the fall of 2017. Our rationale for doing so is that both our faculty complement and graduate student body have grown. We forecast greater demand for graduate courses and now have more faculty members to teach them.

Thank you very much.
