MEMORANDUM

To: W. Ronald Heath
Secretary to Senate

From: W. Wattamaniuk
Secretary to SCAP

Subject: Statement of Cooperation

Date: December 16, 1987

Action taken by the Senate Committee on Academic Planning at its meeting of December 15, 1987 gives rise to the following motion:

MOTION

"That Senate approve and recommend approval to the Board of Governors, as set forth in S. 88-2 , the statement of cooperation between Simon Fraser University and the Emily Carr College of Art and Design."

STATEMENT OF COOPERATION
BETWEEN
EMILY CARR COLLEGE OF ART AND DESIGN
AND
SIMON FRASER UNIVERSITY

1. Simon Fraser University and Emily Carr College of Art and Design share a common purpose to provide four-year, post-secondary education opportunities in the creative arts; therefore, it is in the interest of both to pursue cooperative arrangements so that human and physical resources can be shared, and the enrichment of their students will result.
2. This Statement of Cooperation does not supercede existing university and college procedures or prescribe the kind of arrangements which may develop. However, where common interests can be demonstrated, consistent with 1. above, the institutions will work together to develop educational proposals and appropriate mechanisms for student access.
3. Each institution agrees to give the other timely notice if the termination of any cooperative arrangement becomes necessary or desirable, and to cooperate in winding down such arrangements in ways that will do as little harm as possible to the other institution's students and programs.
