End-of-Semester Review Procedures

Agreed to not review Probation and Warning transcripts, only in categories involving withdrawal.

International Student Quota for 1983-84 (July & Oct.) -

Specific numbers were agreed upon for each of 83-3, 84-1 and 84-2, based on anticipated numbers of new students in those semesters. The figures were reviewed after the experience of the first semester.

Appeal Procedure - Limited Entry Programs (Oct.) -

Appeals will go to the Faculty or Department rather than to S.A.B.

Other topics dismissed - no action taken:--

Mature Students and Enrolment Limitations (Feb.) -

In view of possible enrolment limitations, including raising the admission average for college transfer students, mature student

entry requirements were discussed.

B.C. Grade 12 Visual & Performing Arts Courses (May, July, Oct. & Dec.)-

These courses do not count in admission average at present. SUAB voted to include these courses, then reversed this decision. The matter is still under review.

Beginners' Language 11 (May) -

This is still accepted for admission and will satisfy the 1987 Language and Science 11 requirements. Discussions took place on whether this one-year language course should still be accepted when regular language 11 courses require study to begin in Grade 8 or 9.

Provincial Examinations (Oct.) -

The impact of examinations on admissions process was discussed.

Mature Student Entry - CRIM Certificate Programs (Dec.) -

Decision on expanding the Mature category to include out-of-~~town~~^{province} students was deferred pending a review of this category of admission.

These meetings reviewed the outcomes of evaluation of academic standing of students at the end of semesters 83-1, 83-2 and 83-3.

The totals of students placed in discipline categories are given below:--
