MEMORANDUM

SCUS 84-19

To..... W. Heath Registrar	From..... P. Dobud Assistant to the Dean Faculty of Science
Subject. CALENDAR CHANGES	Date..... October 4, 1984

Please find attached the documentation relating to calendar changes approved in our Faculty of Science meeting held Monday, October 1, 1984.

I would appreciate it very much if you would place these items on the agenda of the next SCUS meeting for consideration and approval.

DEPARTMENT OF GEOGRAPHY

To approve that the Geography requirements for a B.Sc. degree be changed as follows:

From: A minimum of 10 semester hours of 300-400 division BISC, CHEM, MATH OR PHYS courses.

To: A minimum of 9 semester hours of 300-400 division BISC, CHEM, MATH or PHYS courses.

To..... Pablo Dobud, Administrative Assistant Faculty of Science	From..... Ida Curtis, Departmental Assistant Department of Geography
Subject. Geography Science Requirements	Date.....

The Department of Geography requests that the Geography requirements for a B.Sc. be changed so that the "minimum of 10 semester hours of 300-400 division BISC, CHEM, MATH or PHYS courses" be 9 semester hours.

The 1983/84 calendar, page 115, would read:

c) Faculty of Science Courses

A minimum of 9 semester hours of 300-400 division BISC, CHEM, MATH or PHYS courses.

Since most science courses used to satisfy this requirement are 3 credit hours each, it seems appropriate to have the required hours equal three courses. A student would still have to satisfy the total of 44 semester hours of upper division credit.
