

SIMON FRASER UNIVERSITY

S.77-149

MEMORANDUM

To Senate

From Senate Committee on

Undergraduate Studies

Subject Clarification of Requirements:
Kinesiology Major

Date November 23, 1977

Action taken by the Senate Committee on Undergraduate Studies at its meeting of November 22, 1977, gives rise to the following motion:

MOTION:

That Senate approve, and recommend approval to the Board of Governors, the proposed change in the wording of requirements for a Major in Kinesiology from:

"For Major students, the Science Core Program specifies that the following courses be taken during the first four levels (semesters):"

to:

"For Major students, the Science Core Program specifies that the following courses must be taken, and will normally be taken during the first four levels (semesters):"

NOTE - Although a student must fulfill all requirements of the Science Core Program, he/she will not be penalized for completing those requirements later than his/her fourth level. The timing will become a matter of clear advice rather than requirement.
