

MEMORANDUM

Ad. Rep.

H. Evans, Registrar

From Warren Williams,

Department of History,

Subject Senate Agenda

Date January 13, 1969

Further to the discussion at the Senate meeting of 6 January in respect of placing items on the agenda, I should again like to request that the following two matters appear on the agenda for the February meeting:

- a) Report of the Ad hoc Committee on Student Representation upon Senate. (You have already received a copy of this for distribution to Senate).
- b) Ad hoc Committee on Examining and Grading Practices. (Oral-report. This, you will recall is primarily to establish whether or not Senate wishes the Committee to continue. It has been dormant since its initial (and only) report of September, 1967).
